Answer Key

- 1.) How many points per game is 63 points in 9 games = **7**
- 2.) How many dollars per item is 91 dollars in 7 items = **13**
- 3.) How many dollars per item is 150 dollars in 6 items = **25**
- 4.) How many miles per hour is 162 miles in 9 hours = **18**
- 5.) How many dollars per item is 99 dollars in 11 items = **9**
- 6.) How many dollars per item is 36 dollars in 9 items = **4**
- 7.) How many dollars per item is 168 dollars in 8 items = **21**
- 8.) How many dollars per item is 40 dollars in 5 items = **8**
- 9.) How many dollars per item is 240 dollars in 12 items = **20**
- 10.) How many miles per hour is 252 miles in 12 hours = **21**
- 11.) How many points per game is 171 points in 9 games = **19**
- 12.) How many dollars per item is 45 dollars in 3 items = **15**
- 13.) How many miles per hour is 42 miles in 3 hours = **14**
- 14.) How many pages per minute is 100 pages in 4 minutes = **25**
- 15.) How many points per game is 50 points in 5 games = **10**
- 16.) How many points per game is 250 points in 10 games = **25**
- 17.) How many points per game is 30 points in 10 games = **3**
- 18.) How many pages per minute is 250 pages in 10 minutes = **25**
- 19.) How many miles per hour is 45 miles in 9 hours = **5**
- 20.) How many points per game is 44 points in 4 games = **11**
- 21.) How many miles per hour is 176 miles in 11 hours = **16**
- 22.) How many points per game is 100 points in 5 games = **20**
- 23.) How many pages per minute is 45 pages in 5 minutes = **9**
- 24.) How many miles per hour is 63 miles in 7 hours = **9**
- 25.) How many pages per minute is 28 pages in 7 minutes = **4**
